Student Facilitation Team Application

The Bruin Leaders Project is UCLA's nationally renowned campus-sponsored leadership development program. We offer a hands-on, seminar-based leadership development program that strives to make our participants better students, better leaders and better citizens. Utilizing a non-hierarchical leadership model, we believe that leadership is a state of mind, and therefore anyone and everyone has the ability to be a leader. One of the crucial elements in our program is our Student Facilitation Team (SFT). **Use this application to apply for our SFT and pursue the opportunity to serve on BLP's student governing body.**

As an SFT member you will experience leadership development training during a mandatory retreat in early Fall and serve on one of our committees which may include Marketing & Outreach, Community Service & Library or Collaboration, and Seminar Development.

In addition, SFT members recruit students throughout campus to participate in BLP. They serve as resources and facilitators to BLP participants who attend seminars and partake in service opportunities on campus and in the community.

SFT members are required to commit on average 4 hours per week of involvement to the program during the academic year. As an SFT member you will participate in a wide variety of tasks, including but not limited to attending committee meetings, marketing activities, and facilitating seminars. Full participation is expected of all members of the Student Facilitation Team.
